- ⚡ **Comprehensive Support:** From cutting-edge AI diagnostics to operational training and national marketing, we've got your back.
- ⚡ **Future-Proof Business:** EVs are here to stay. Invest in a business that grows with the future.
- ⚡ **Strong Brand & Network:** Join a rapidly expanding national brand synonymous with trust and innovation.

Diversified, High-Demand Services (Key Offerings)

EVChamp offers a wide range of services to ensure multiple revenue streams:

- **EV Leasing Platform:** Tap into the booming EV leasing market.
- **Advanced EV Diagnostics AI SaaS**
- **DC Fast Charging for 2W & 3W customers**
- **Data-Driven Certified Battery Assessment and EV Insights Platform (PaaS) :** Leverage valuable market data for smarter business.

Our Franchisees are Thriving!

- "Joining EVChamp was the smartest business decision I made. The AI platform is a game-changer, and the support I get is incredible. My Pro Centre is exceeding all expectations!" — Rajesh Kumar, Pro Franchisee, Delhi
- "The Master Centre model gives me so much potential. With the leasing platform and spares distribution, my revenue streams are constantly growing. This is truly the future of Auto financing and EV services." — Priya Sharma, Master Franchisee, Pune
- "Even with my Basic Centre, the profitability is fantastic. The demand for EV leasing is huge, and EVChamp makes it easy to deliver top-notch service. I'm already planning my second location!" — Amit Singh, Pro Franchisee, Jaipur

Your Investment. Our Partnership. Your Success.
